The highest quality in its price class: solid, wireless, Bluetooth, excellent sound.

FM RADIO

FM RADIO

FM radio is here to stay! Whereas DAB+ radio reception can be tricky in large buildings or remote areas, there's always good old FM to back you up. Problem solved – as all our radios have FM capabilities.

AUX IN

Need a break from radio? All you need is a basic audio cable to connect any device with a headphone jack and play it on your PerfectPro radio.

DAB+

The genuine 21st-century digital radio, as clear as a bell and as user-friendly as it gets. If there's no coverage, you can simply switch to trusty old FM.

BLUETOOTH

Transform your radio into a high-quality Bluetooth speaker and listen to your own audio thanks to the Bluetooth interface. You can play anything from your computer or phone directly on your radio.

Lasts an entire workday on the optional universal NiMH batteries
